NOTE: IN ORDER TO CONTINUE RECEIVING THE RAY, YOU MUST BE AN ACTIVE, ASSOCIATE OR DEFERRED MEMBER!

Definitions: 1) Active membership—Active members shall be limited to persons affected with Glycogen Storage Disease, parents of affected persons, health professionals actively engaged in the treatment of Glycogen Storage Disease, scientists actively involved in Glycogen Storage Disease research and immediate relatives of Glycogen Storage Disease affected persons (limited to siblings and grandparents), and spouses of affected persons. Active members enjoy the rights, privileges and responsibilities of the Association including the right to vote and hold office provided their dues have been received by the Treasurer of the corporation before March 1. In the case of divorce between an affected person and his/her spouse, the membership status of the spouse will revert to an Associate Membership. If you **defer** your dues it must be indicated on the dues sheet.

2) Associate Membership—Associate members include all others not included under the definition of active membership and any member whose payment is received by the Treasurer on/after March 1. Associate members enjoy the rights, and privileges of the Association excluding the right to vote and hold office.

Eligibility: Membership shall be open to all persons 18 years of age or older, families (including minors), institutions, organizations, etc., that pay or defer the yearly membership dues regardless of location, race, creed, nationality or other qualifications that could be considered discriminative or restrictive.
